Accuride Corporation's Brillion Farm Equipment Introduces Website Enhancements

EVANSVILLE, Ind. – June 25, 2010 – Today, Accuride Corporation (OTCBB: ACUZ) announced that its Brillion Farm Equipment™ division has implemented a series of website enhancements to expand the on-line services provided to its customers.

“Our new website will serve as a great tool for not only the equipment dealer but also for the farmers using our products,” said Mike Irish, Brillion Farm Equipment’s General Manager. “The site offers an abundance of information ranging from equipment specifications to the servicing and proper maintenance of our products, all in a format that can be accessed via computer or mobile device.”

The site features:

- Operator’s and Repair Parts manuals searchable by keyword
- Detailed product specification tables
- Product photo galleries and videos
- Dealer locator searchable by zip/postal code
- Seed rate charts
- Service tips
- Event schedules

The website can be accessed at www.brillionfarmeq.com.

Brillion Farm Equipment™, a division of Accuride Corporation, manufactures a full line of tillage, seedbed preparation and seeding equipment made for today’s top producers. Brillion equipment is designed to be durable, long-lasting and productive in a wide range of environments.
